Prophetic Ministry Awakening God's Voice in You Part I

(Endorsed by Graham Cooke)

(Required Course for Graduation for full time students)

This class enlightens the student of the history, foundations and essentials of prophesying in the local body. You will learn the various ways in which God speaks to us, how and when to speak prophetically in team and corporate settings. Proper Biblical protocol is a must as prophecy is released into our corporate meetings. You will also learn about dreams and visions and how to interpret them from a Biblical perspective. Includes teaching, required reading, and activation workshops.

Instructor: Rich Harris

Prophetic Ministry (Advanced) Part II (Offered Spring 2012)

Takes the student to the next level of prophetic ministry. We will study the character and ministries of the Biblical prophets. You will learn about prophetic burdens and how to deal with them in the arenas of intercession and speaking. We will discuss how to relate to leaders in the body when carrying a corporate prophetic word - investigating true and false spiritual authority. Personal character issues, intimacy with God, word and prayer life are the foundations of this class. Learn how to equip others in the revelatory gifts, build teams in the local body and work in oneness with the other ministry gifts of Christ. Advanced and activation workshops.

Instructor: Rich Harris. Requirement: Part I

Effectual Prayer

James 5:16 "The effectual, fervent prayer of a righteous man avails much."

This class will teach us how to more accurately hit the mark with our prayers and not just the ceiling. We will learn how to pray more effectually, with all authority and power, by coming into agreement with the Word of God and the Holy Spirit. We will also learn how to align ourselves with what the Father is doing and saying to His Church. In this class you will obtain greater understanding and confidence of your identity and position in Christ as well as addressing the blocks and hindrances that keep us from powerful and productive prayer.

INSTRUCTOR: Pastor Joanie Wickes – Keys of the Kingdom International Ministries
